

Title V Operating Permit No. 25-00923

Under 25 Pa. Code § 127.521, the Department of Environmental Protection (Department) intends to issue a Title V Operating Permit to the Norcon Power Partners, LP (Norcon). Norcon is located in North East Township, Erie County. Norcon's representative to contact concerning this application is Gary L. Hood, General Manager, Box 512, 10915 Ackerman Road, North East, PA 16428, (814) 725-5641.

Norcon's air emission sources include two natural gas fired steam turbines, emergency generators and an auxiliary boiler. The facility is a major stationary source as defined in Title I, Part D of the Clean Air Act Amendments due to the facility's potential to emit of Nitrogen Oxides. The facility is therefore subject to the Title V Operating Permit requirements adopted in 25 Pa. Code Chapter 127, Subchapter G.

Copies of the application, the Department's analysis and other documents used in the evaluation of the application are available for public inspection during normal business hours at the Department of Environmental Protection, 230 Chestnut Street, Meadville, PA 16335.

Persons wishing to provide the Department of Environmental Protection with additional information which they believe should be considered prior to the issuance of these permits may submit the information to the Department at the address shown above. A 30-day comment period, from the date of this publication, will exist for the submission of comments. Each written comment must contain the following information:

- \* Name, address and telephone number of the person submitting the comments.
- \* Identification of the proposed permit (specify Permit #TV 25-00923)
- \* Concise statements regarding the relevancy of the information in the proposed permit or objections to issuance of the permit.

A public hearing may be held, if the Department, in its discretion, decides that such a hearing is warranted based on the information received. All persons submitting comments or requesting a hearing will be notified of the decision to hold a hearing by publication in the newspaper or by the Pennsylvania Bulletin, or by telephone, where the Department determines such notification by telephone is sufficient. Written comments or requests for a public hearing should be directed to Larry W. Wonders, Regional Air Quality Program Manager, Department of Environmental Protection, Northwest Region, 230 Chestnut Street, Meadville, PA 16335. For additional information concerning the permit or the issuance procedure, contact Eric A. Gustafson, Facilities Section Chief, Air Quality Program, at the same address or phone at (814) 332-6940.
