**LICENSE FEE BID**

It is understood that (1) the annual license fee for the Concession consists of two payments: there will be an annual lump sum license fee in the amount of \$15,000.00, which is fixed, and a fee based on a percentage of the adjusted gross receipts of the Concession during the preceding calendar year; (2) the PFBC will base its award of the Concession Agreement on the bids received for the latter; and (3) the PFBC will award the Concession Agreement to the highest responsible and responsive bidder. My bid is \_\_\_\_\_ PERCENT ( \_\_\_\_\_ %) OF ADJUSTED GROSS RECEIPTS calculated from the preceding year. **PLEASE NOTE THAT THE PFBC WILL NOT ACCEPT ANY BID BELOW 2.5% OF ADJUSTED GROSS RECEIPTS BID.** The term of this Agreement shall be from the date of its execution or January 1, 2017, whichever is later, to December 31, 2018, and shall be automatically renewed for up to nine (9) additional successive annual terms; each such successive annual term is to begin January 1 and expire December 31, limited to a total of ten (10) terms, with a final termination date of December 31, 2026.

WHEREAS, the PFBC has determined that CONCESSIONAIRE is the highest responsible and responsive bidder and acceptance of CONCESSIONAIRE's bid is advantageous to the PFBC and in the best interests of the Commonwealth.

NOW THEREFORE, in consideration of the foregoing, the mutual premises hereof and the terms and conditions hereinafter set forth, the parties, intending to be legally bound, hereby covenant and agree as follows:

**SECTION ONE: DEFINITIONS**

- 1.1 **LICENSED PREMISES.** The term "Licensed Premises" as used herein shall be defined as the designated areas depicted on the map attached hereto as Exhibit A and incorporated herein, and such other areas related to the operation of the concession as mutually agreed upon by CONCESSIONAIRE and PFBC.
- 1.2 **PERMANENT IMPROVEMENT.** The term "permanent improvement" as used herein shall be defined as any development within the Licensed Premises through the expenditure of money or labor that is designed to do more than merely maintain or repair within the Licensed Premises. These improvements are generally thought of as permanent and fixed, intending permanently to enhance property value, beauty, and utility or to adapt the property for new or additional purposes. These improvements include the results of work whereby the size, type, or extent of existing facilities within the Licensed Premises is changed or increased.

- 1.3 MINOR STRUCTURAL REPAIRS. The term “minor structural repairs” as used herein shall be defined as those repairs that are required to keep the Licensed Premises operational and in good condition. Minor structural repairs include, but are not limited to, painting, replacing glass, repairing HVAC, electrical fixtures, plumbing and mechanical.
- 1.4 MAJOR STRUCTURAL REPAIRS. The term “major structural repairs” as used herein shall be defined as repairs to the Licensed Premises beyond normal maintenance, including, but not limited to, the maintenance of the breakwall and launch ramp and the sewage treatment facilities.
- 1.5 LICENSE FEE. The term “license fee” as used herein shall be defined as the amount that CONCESSIONAIRE shall pay the PFBC for CONCESSIONAIRE’s use of the Licensed Premises.
- 1.6 GROSS RECEIPTS. The term “gross receipts” as used herein shall be defined as the total amount received by or accruing to CONCESSIONAIRE from all sales made for cash or credit for services, accommodations, materials and other merchandise made pursuant to the privileges outlined in this AGREEMENT to include those sales made through any coin-operated device, subconcession and sublicense fees, and commissions earned on contracts or agreements with other persons or companies operating in the area, and excepting only those items which are specifically mentioned herein as being omitted from this paragraph.
- 1.7 INCLUDABLE TAXES. The term “includable taxes” as used herein shall be defined as the total sale and excise taxes, such as state sales taxes and gasoline taxes that are added as separate charges to approved sale prices. The total amount of includable taxes to be subtracted from gross receipts in the computation of license fees shall not exceed the amount actually due and paid to governmental agencies.
- 1.8 ADJUSTED GROSS RECEIPTS. The term “adjusted gross receipts” (AGR) as used herein shall be defined as the amount of the difference between the gross receipts minus any includable taxes collected on the gross receipts for the same time period and revenue from the sale of fishing licenses and permits, boat registration fees and launch permits, and PFBC publications or other merchandise.
- 1.9 MAINTENANCE, REPAIR AND REPLACEMENT FUND. The term “Maintenance, Repair and Replacement Fund” as used herein shall be defined as the amount that CONCESSIONAIRE shall pay into a bank account for upkeep and improvement of the Licensed Premises.

## SECTION TWO: TERMS OF AGREEMENT

- 2.1 INGRESS AND EGRESS. PFBC grants to CONCESSIONAIRE an unrestricted license for free ingress and egress through and over the Licensed Premises to operate the public concession services described herein.
- 2.2 TERM OF AGREEMENT. The term of this AGREEMENT shall be from JANUARY 1, 2017 to DECEMBER 31, 2018 and shall be renewed automatically for up to nine (9) additional successive annual terms, beginning on JANUARY 1 and ending on DECEMBER 31, limited to a total of ten (10) terms, with a final termination date of DECEMBER 31, 2026.
- 2.3 LICENSE FEES. In consideration of the PFBC’s grant of the license herein described, CONCESSIONAIRE shall pay the PFBC an annual lump sum license fee (Annual Lump Sum License Fee) in the amount of \$15,000.00 on or before June 30 of the respective year. In addition to the Annual Lump Sum License Fee,

CONCESSIONAIRE shall pay the PFBC \_\_\_\_% of AGR during the preceding calendar year on or before March 31 of the following year.

- 2.4 QUARTERLY REPORTS. CONCESSIONAIRE shall submit to PFBC a quarterly report of receipts and expenditures on a form approved by PFBC. These reports shall be due no later than the 25<sup>th</sup> day of the month following the quarter for which a report is due.
- 2.5 ANNUAL FINANCIAL STATEMENT. CONCESSIONAIRE shall submit to PFBC, no later than March 15 of each term that this AGREEMENT is in effect (and on or before March 15 of the first year after this AGREEMENT is terminated), an Annual Financial Statement generated by an independent accounting firm, using generally accepted accounting principles. Information provided and any financial records pertaining to this AGREEMENT or operations under or by this AGREEMENT are public records and are subject to review and audit by PFBC or PFBC's representative.
- 2.6 TERMINATION.
- A. BY CONCESSIONAIRE:
1. CONCESSIONAIRE may terminate this AGREEMENT at the end of any term by notifying PFBC in writing by July 1 of its intention not to continue performance under the AGREEMENT for the following term. It is recognized that CONCESSIONAIRE may collect fees during a term for services that will not be performed until the following term and that CONCESSIONAIRE may make capital investments during a term that may not be fully realized until subsequent terms. In the event CONCESSIONAIRE terminates the AGREEMENT under this paragraph, it is understood and agreed that the parties will meet to discuss and fashion a fair and reasonable allocation of revenues and expenses for the period following termination. Such an allocation shall be based on generally accepted accounting principles.
- B. BY PFBC:
1. PFBC may terminate this AGREEMENT at the end of any term by notifying CONCESSIONAIRE in writing at least 60 days prior to the end of the term. PFBC may also terminate or suspend this AGREEMENT for events outside PFBC's control by notifying CONCESSIONAIRE in writing at least 30 days prior to the effective date of termination. It is understood and agreed that in the event PFBC terminates the AGREEMENT under this paragraph, the parties will meet to discuss and fashion a fair and reasonable allocation of revenues and expenses for the period following termination. Such an allocation shall be based on generally accepted accounting principles.
  2. PFBC may terminate this AGREEMENT for default by CONCESSIONAIRE in the performance of its obligations under this AGREEMENT by giving 30 days written notice to CONCESSIONAIRE, provided that prior to terminating this AGREEMENT for default, PFBC shall give CONCESSIONAIRE at least fifteen (15) days to cure its deficiencies in performance under this AGREEMENT.
- 2.7 C.P.I. INCREASES TO ANNUAL LUMP SUM LICENSE FEE. CONCESSIONAIRE understands and agrees that a new Annual Lump Sum License Fee will be in effect at the beginning of each two (2) term period that this AGREEMENT is in effect. PFBC will notify CONCESSIONAIRE in writing of this change. The change in the Annual Lump Sum License Fee will be based on the

change in the U. S. Bureau of Labor Statistics Index, commonly called the “Consumer Price Index” specifically the Index for Urban Wage Earners and Clerical Workers, aggregate of all items across the U.S.A. (“C.P.I.-W”). The new Annual Lump Sum License Fee will be instituted for two (2) annual terms starting on the third, fifth, seventh, and ninth annual terms as follows:

- A. If the “C.P.I.-W” remains the same, the Annual Lump Sum License Fee for the following two (2) annual terms will remain the same as it was for the previous two (2) terms.
- B. If the “C.P.I.-W” increases, the Annual Lump Sum License Fee for the following two (2) annual terms will increase by the percentage increase in the “C.P.I.-W.”
- C. If the “C.P.I.-W” decreases, the Annual Lump Sum License Fee for the following two (2) annual terms will decrease by the percentage decrease in the “C.P.I.-W,” but shall not decrease to less than the Annual Lump Sum License Fee specified in Section 2.3.
- D. The percentage change in “C.P.I.-W” issued in the month of September to that issued in the month of September two (2) years later, each two (2) year period this AGREEMENT is in effect, will be the basis for computing a new Annual Lump Sum License Fee for the following two (2) term period.
- E. The “C.P.I.-W,” issued in the month of September 2015, was 232.7, and shall be used as the base year for this AGREEMENT.

In the event such monthly Index should be discontinued, or a new or revised one substituted therefor by the Bureau of Labor Statistics or other agencies of the United States of America, such new or revised or other similar index shall be used for the purpose of computations as described in this section, using such conversion factors or other devices which may be generally recognized or adopted in connection with requirements based on this Index.

2.8 ADJUSTMENT TO LICENSE FEE AND OTHER PAYMENTS. PFBC and CONCESSIONAIRE mutually agree that there will be no adjustment of the license fee or other payments due under this AGREEMENT (other than the C.P.I. increases to Annual Lump Sum License Fee as provided in Section 2.7) except as follows:

- A. In the event the Licensed Premises are substantially damaged or destroyed, the AGREEMENT may be terminated and all liability for future payments shall cease, or may be suspended, at the discretion of PFBC in accordance with Section 2.9.
- B. In the event the Licensed Premises or its major facilities are impaired by fire, flood or other casualty, resulting in a reduction of visitors to the Licensed Premises and a loss to CONCESSIONAIRE, PFBC may at its discretion adjust the payments for the remainder of the current term.
- C. In the event PFBC by its actions closes down some or all of the facilities at the Licensed Premises, resulting in a reduction of visitors at the Licensed Premises and a loss to CONCESSIONAIRE, PFBC may at its discretion adjust the payments for the remainder of the current term.
- D. Within sixty (60) days prior to the end of a term, either party hereto may request reconsideration of the amount, character and schedule of the payment rates of the license fee or any other payments due under this AGREEMENT. Such request shall be made in writing. In the event the PFBC and CONCESSIONAIRE cannot agree upon an adjustment of the rates within sixty (60) days of the request

for reconsideration as made by either party, the position of CONCESSIONAIRE must be reduced to writing within thirty (30) days therefrom and submitted to PFBC for a determination of appropriate fees consistent with the fair value of any assigned PFBC improvement and probable value to CONCESSIONAIRE of the privileges granted by this AGREEMENT based upon a reasonable opportunity for a profit in relation to both gross receipts and capital invested.

- 2.9 DAMAGE TO THE LICENSED PREMISES. In the event of damage to or destruction of the Licensed Premises, or a portion thereof, that is so substantial that the remainder is not economically operable for the purposes herein contemplated, by fire, windstorm or other hazard, operation under this AGREEMENT, at the discretion of PFBC, may be:
- A. suspended until the portions of the Licensed Premises so destroyed or damaged are rebuilt, repaired or replaced; or
  - B. terminated. In the event such damage or destruction is less substantial so that the remainder of the Licensed Premises is economically operable, CONCESSIONAIRE's operation shall continue by CONCESSIONAIRE to the extent practical while restoration is underway.
- 2.10 TIMELY SUBMISSION. License fees, insurance policies, financial statements, price lists, liquidated damages, interest payments, and any other documents or payments which may be required for the operation of the concession or by this AGREEMENT shall be promptly submitted by CONCESSIONAIRE to PFBC at times herein specified.
- 2.11 LIQUIDATED DAMAGES. This AGREEMENT has been established to provide a service, or services, to the visitors of the Licensed Premises. CONCESSIONAIRE's failure to comply with provisions of this AGREEMENT may cause a loss of services to said visitors, untimely delays in the administration of this AGREEMENT, or deprive PFBC of agreed upon services and/or a loss of revenue. CONCESSIONAIRE's failure to comply with any AGREEMENT provision, including any addenda, will subject CONCESSIONAIRE to a progressive system of liquidated damages as follows:
- A. If CONCESSIONAIRE violates any provision of the AGREEMENT, PFBC shall send a written notification to CONCESSIONAIRE stating which provision was violated and a date by which said violation must be corrected. If CONCESSIONAIRE does not correct the violation or cease said action by the stated date, CONCESSIONAIRE shall make liquidated damage payments of \$250.00 to PFBC for each seven-day period that the CONCESSIONAIRE fails to correct the violation.
  - B. All liquidated damages required by this section must be paid by CONCESSIONAIRE to PFBC within thirty (30) days of the date of written notification from PFBC to CONCESSIONAIRE.
  - C. This AGREEMENT may be terminated by PFBC for default at its sole discretion if compliance has not been obtained after two (2) sums for liquidated damages have been assessed for the violation of the same provision of this AGREEMENT, not necessarily within the same year.
  - D. Acceptance of liquidated damage payments does not constitute a waiver of CONCESSIONAIRE's obligation to comply with all of the provisions of the AGREEMENT, or a waiver of PFBC's full range of rights and remedies hereunder. CONCESSIONAIRE's failure to comply with any provision of this

AGREEMENT shall be sufficient cause for PFBC, at its sole discretion, to terminate this AGREEMENT under Section 2.6.

- 2.12 **INTEREST PAYMENTS.** Any payments that become due from CONCESSIONAIRE to PFBC and that are not paid on or before the due date shall bear interest at 18% per annum until paid, computed from the due date, or the first business day thereafter, should the due date fall on a weekend or a holiday recognized by PFBC. Any payments received shall first be applied against interest due with the remaining portion being applied against the oldest payment due. This percentage is subject to change by PFBC, with PFBC giving CONCESSIONAIRE prior written notice. This provision does not constitute a waiver of CONCESSIONAIRE's obligation to make payments when they are due.
- 2.13 **PRICING.** CONCESSIONAIRE shall have the right and privilege to charge such prices and rates as are reasonable and fair. All charges by CONCESSIONAIRE to the public are subject at all times to the review of PFBC. Either party may request of the other consideration in an adjustment in prices and rates. CONCESSIONAIRE shall not utilize preferential pricing for any item, activity, or service rendered under this AGREEMENT, on Licensed Premises, or any portion thereof. This is to ensure the public be afforded equal treatment and consideration at all times. The use of any package deal or discount rate made available to any individual or group, under this AGREEMENT, shall also be made available to any other individual or group under like circumstances.
- 2.14 **BOOKKEEPING AND POINT-OF-SALE DOCUMENTATION.** CONCESSIONAIRE shall keep proper and complete books and records of accounts of its operation under this AGREEMENT. Internal control procedures implemented by CONCESSIONAIRE shall be adequate to ensure that all revenue is accounted for and recorded. This includes, at a minimum, preprinted consecutively numbered tickets and/or dual tape cash register receipts and/or preprinted consecutively numbered receipts with carbon copies, to record revenue at point-of-sale. Each transaction shall generate a receipt that shall be offered to the patron. A preprinted consecutively numbered ticket shall qualify as a receipt under this specific requirement. If CONCESSIONAIRE uses cash registers that display to patron the cost of each item as they are added in and the total for all items, a printed receipt need not be offered to each patron, but shall be available to the patron upon request.
- Cash register tapes, preprinted consecutively numbered tickets, and all other source documents shall be reconciled daily with cash received. Cash registers, if used, shall be of the type that has either a non-resettable grand total, or a non-resettable transaction counter, or a non-resettable clear out counter, or a computer with a built in electronic journal, or other PFBC approved device that can provide continuous accountability of transactions.
- 2.15 **DAILY RECEIPTS AND BANK ACCOUNT.** All cash, checks and other receipts received by CONCESSIONAIRE will be deposited into a single bank account maintained solely for the concession operation through which all financial transactions shall pass. Daily cash receipts shall be deposited intact or accounted for in a daily cash journal by CONCESSIONAIRE.
- 2.16 **AUDITS AND RECORD RETENTION.** At any time, CONCESSIONAIRE shall permit PFBC or its authorized agents, to examine and audit the point-of-sale documents, books, and financial records without any delay upon CONCESSIONAIRE's part. Said point-of-sale documents, books, and financial records shall be retained by CONCESSIONAIRE for a period of three (3) years

beyond the termination of this AGREEMENT, unless earlier disposal is approved by PFBC in writing.

- 2.17 DEPARTMENT OF REVENUE. CONCESSIONAIRE shall comply with Commonwealth of Pennsylvania, Department of Revenue regulations and guidelines, including, but not limited to, those on state sales tax.
- 2.18 FIRE, FLOOD AND OTHER CASUALTY INSURANCE. CONCESSIONAIRE shall provide at its sole expense and maintain in full force and effect fire, flood and other casualty insurance during each term of the AGREEMENT. Said insurance shall be from a capital stock or non-assessable mutual company or government entity in an amount equivalent to the replacement cost of PFBC's physical facilities licensed by this AGREEMENT, plus the contents, but not less than \$1,000,000. Said minimum may be increased or replacement cost updated by PFBC, with PFBC giving CONCESSIONAIRE at least six (6) months advance written notice of such an increase or update, prior to its effective date. Insurance on PFBC's physical premises and contents shall be made payable solely to PFBC; insurance on CONCESSIONAIRE'S contents shall be made payable to CONCESSIONAIRE. Said insurance shall be effective prior to CONCESSIONAIRE taking occupancy of the Licensed Premises. CONCESSIONAIRE shall furnish PFBC with a copy of the required insurance policy prior to the beginning of each term of this AGREEMENT, and/or prior to the expiration of a current policy. PFBC shall be named as a certificate holder and an additional insured on said insurance. CONCESSIONAIRE shall not be required to maintain flood insurance on the administration building.
- 2.19 LIABILITY INSURANCE. CONCESSIONAIRE shall provide at its sole expense and maintain in full force and effect at all times during each term of this AGREEMENT, comprehensive, public liability insurance in an amount not less than either:
- A. combined bodily injury and property damage liability \$2,000,000 each occurrence and \$3,000,000 aggregate; or
  - B. bodily injury liability \$1,000,000 each occurrence and \$2,000,000 aggregate; property damage liability \$100,000 each occurrence and \$250,000 aggregate.
- This insurance shall protect CONCESSIONAIRE from claims for damages for personal injury, including accidental death, as well as from claims for property damages which may arise from operations under this AGREEMENT or any occurrence on or about the Licensed Premises, whether such operations are by CONCESSIONAIRE or anyone directly or indirectly employed by it. CONCESSIONAIRE shall furnish PFBC with a copy of the required liability insurance policy prior to the beginning of each term of this AGREEMENT, and/or prior to the expiration of a current policy. PFBC shall be named as a certificate holder and an additional insured on said liability insurance.
- 2.20 WORKER'S COMPENSATION INSURANCE. CONCESSIONAIRE shall provide at its sole expense and maintain in full force and effect during each term of this AGREEMENT, worker's compensation insurance for personnel employed in the business operated under this AGREEMENT.
- 2.21 INSURANCE CANCELLATIONS. PFBC shall be immediately advised by CONCESSIONAIRE should any of the aforementioned insurance policies be canceled by CONCESSIONAIRE or the insurance company prior to the expiration date indicated on said policy.

- 2.22 **LICENSES, PERMITS, EQUIPMENT, SUPPLIES, TRANSPORTATION AND LABOR.** CONCESSIONAIRE shall provide, at its sole expense, all licenses, permits, equipment, supplies, materials, merchandise, transportation, and labor necessary for the satisfactory operation of the concession, except for any particular items of which specific mention is made in this AGREEMENT. The permits that CONCESSIONAIRE must secure and maintain in full force and effect during the term of this AGREEMENT include, but are not limited to, Erie Department of Health and NPDES permits. All licenses and permits for concession operation shall be neatly posted at the Licensed Premises, unless otherwise pre-approved by PFBC. It shall be PFBC's sole responsibility to secure and maintain in full force and effect the necessary U.S. Army Corps of Engineers and Department of Environmental Protection permits for breakwall. In the event that either of these permits are suspended or revoked by the permitting agency, the PFBC will notify the CONCESSIONAIRE in writing to terminate or suspend operations as provided in Section 2.6 (B).
- 2.23 **APPROVAL OF SUB-CONCESSION CONTRACTS.** All contracts and agreements proposed to be entered into by CONCESSIONAIRE with respect to the exercise by others of the privileges granted by this AGREEMENT in whole or part shall be considered as sub-concession contracts and shall be submitted to PFBC for prior approval and shall be effective only if approved. CONCESSIONAIRE shall notify PFBC of the termination or cancellation of any sub-concession agreement.
- 2.24 **TRAINING.** PFBC may require CONCESSIONAIRE, and/or its employees, to attend public contact, solid waste management, or other training sessions appropriate to concession operations from time to time during the term of this AGREEMENT, as deemed necessary by PFBC, but not more than three (3) hours of training per employee per term. CONCESSIONAIRE shall be responsible for paying any wage costs or other costs incurred for CONCESSIONAIRE or CONCESSIONAIRE's employees.
- 2.25 **CONVICTION OF A FELONY.** CONCESSIONAIRE understands and agrees that should CONCESSIONAIRE, or a partner of CONCESSIONAIRE (if CONCESSIONAIRE is a partnership), or an officer or director of CONCESSIONAIRE (if CONCESSIONAIRE is a corporation), be convicted of a felony during the term of this AGREEMENT, PFBC may, at its sole discretion, and without consideration to CONCESSIONAIRE, terminate this AGREEMENT, giving CONCESSIONAIRE thirty (30) days' notice.
- 2.26 **NUMBER OF VISITORS:** It is fully understood by the parties hereto that PFBC does not guarantee any number of visitors to the Licensed Premises and accepts no responsibility for lack of visitors to the concession or revenue generated thereby for any reason other than is set forth herein.
- 2.27 **EXCLUSIVE RIGHTS.** CONCESSIONAIRE understands and agrees that this AGREEMENT gives CONCESSIONAIRE exclusive right(s) to all concession operations within the Licensed Premises, except as provided herein.
- 2.28 **LEGAL COMPLIANCE.** CONCESSIONAIRE agrees to comply with all laws, rules, regulations, and orders of the Commonwealth of Pennsylvania and other governmental bodies now in effect or hereafter enacted, adopted or promulgated. CONCESSIONAIRE understands and agrees that CONCESSIONAIRE has full responsibility to have knowledge of all said relevant laws, rules, regulations and orders.
- 2.29 **SECURITY.** CONCESSIONAIRE is responsible for securing Licensed Premises and shall develop and implement a physical security program for the Licensed

Premises. The plan will identify how the facilities within the Licensed Premises are secured at the end of the day, who is responsible for security, person(s) assigned keys to have access to facilities before and after official hours, persons to contact in case of emergency, etc.

- 2.30 CONTRACTUAL AMENDMENTS. In addition, the agency may proceed with debarment or suspension and may place CONCESSIONAIRE in the Contractor Responsibility File.

  2. Contractor shall establish and implement a written business integrity policy, which includes, at a minimum, the requirements of these provisions as they relate to the Contractor activity with the Commonwealth and Commonwealth employees and which is made known to all Contractor employees. Posting these Contractor Integrity Provisions conspicuously in easily-accessible and well-lighted places customarily frequented by employees and at or near where the contract services are performed shall satisfy this requirement.

If Contractor cannot so certify to the above, then it must submit along with its bid, proposal or contract a written explanation of why such certification cannot be made and the Commonwealth will determine whether a contract may be entered into with the Contractor. The Contractor's obligation pursuant to this certification is ongoing from and after the effective date of the contract through the termination date thereof. Accordingly, the Contractor shall have an obligation to immediately notify the Commonwealth in writing if at any time during the term of the contract it becomes aware of any event which would cause the Contractor's certification or explanation to change. Contractor acknowledges that the Commonwealth may, in its sole discretion, terminate the contract for cause if it learns that any of the certifications made herein are currently false due to intervening factual circumstances or were false or should have been known to be false when entering into the contract.

6. Contractor shall comply with the requirements of the *Lobbying Disclosure Act (65 Pa.C.S. §13A01 et seq.)* regardless of the method of award. If this contract was awarded on a Non-bid Basis, Contractor must also comply with the requirements of the *Section 1641 of the Pennsylvania Election Code (25 P.S. §3260a)*.
7. When Contractor has reason to believe that any breach of ethical standards as set forth in law, the Governor's Code of Conduct, or these Contractor Integrity Provisions has occurred or may occur, including but not limited to contact by a Commonwealth officer or employee which, if acted upon, would violate such ethical standards, Contractor shall immediately notify the Commonwealth contracting officer or the Office of the State Inspector General in writing.
8. Contractor, by submission of its bid or proposal and/or execution of this contract and by the submission of any bills, invoices or requests for payment pursuant to the contract, certifies and represents that it has not violated any of these Contractor Integrity Provisions in connection with the submission of the bid or proposal, during any contract negotiations or during the term of the contract, to include any extensions thereof. Contractor shall immediately notify the Commonwealth in writing of any actions or occurrences that would result in a violation of these Contractor Integrity Provisions. Contractor agrees to reimburse the Commonwealth for the reasonable costs of investigation incurred by the Office of the State Inspector General for investigations of the Contractor's compliance with the terms of this or any other agreement between the Contractor and the Commonwealth that results in the suspension or debarment of the Contractor. Contractor shall not be responsible for investigative costs for investigations that do not result in the Contractor's suspension or debarment.
9. Contractor shall cooperate with the Office of the State Inspector General in its investigation of any alleged Commonwealth agency or employee breach of ethical standards and any alleged Contractor non-compliance with these Contractor Integrity Provisions. Contractor agrees to make identified Contractor employees available for interviews at reasonable times and places. Contractor, upon the inquiry or request of an Inspector General, shall provide, or if appropriate, make promptly available for inspection or copying, any information of any type or form deemed relevant by the Office of the State Inspector General to Contractor's integrity and compliance with these provisions. Such information may include, but shall not be limited to, Contractor's business or financial records, documents or files of any type or

form that refer to or concern this contract. Contractor shall incorporate this paragraph in any agreement, contract or subcontract it enters into in the course of the performance of this contract/agreement solely for the purpose of obtaining subcontractor compliance with this provision. The incorporation of this provision in a subcontract shall not create privity of contract between the Commonwealth and any such subcontractor, and no third party beneficiaries shall be created thereby.

10. For violation of any of these Contractor Integrity Provisions, the Commonwealth may terminate this and any other contract with Contractor, claim liquidated damages in an amount equal to the value of anything received in breach of these Provisions, claim damages for all additional costs and expenses incurred in obtaining another contractor to complete performance under this contract, and debar and suspend Contractor from doing business with the Commonwealth. These rights and remedies are cumulative, and the use or non-use of any one shall not preclude the use of all or any other. These rights and remedies are in addition to those the Commonwealth may have under law, statute, regulation, or otherwise.

- 4.5 **CONTRACTOR RESPONSIBILITY.** For purposes of this paragraph, the term contractor is defined as any person, including, but not limited to, a bidder, offeror, loan recipient, grantee, or subgrantee, who has furnished or seeks to furnish goods, supplies, services, or leased space, or who has performed or seeks to perform construction activity under contract, subcontract, grant or subgrant with the Commonwealth, or with a person under contract, subcontract, grant or subgrant with the Commonwealth or its state-affiliated entities, and state-related institutions.   - C. The contractor's obligations pursuant to this paragraph are ongoing from and after the effective date of this AGREEMENT through the termination date hereof. Accordingly, the contractor shall have an obligation to inform the PFBC if, at any time during the term of the AGREEMENT, the contractor becomes delinquent in the payment of taxes, or other Commonwealth obligations, or if the contractor or any subcontractors are suspended or debarred by the Commonwealth, the federal government or other state or governmental entity. Such notification shall be made within 15 days of the date of suspension or debarment.
  - D. The failure of the contractor to notify PFBC of a suspension or debarment by the Commonwealth, or any other state of the federal government shall constitute an event of default of this AGREEMENT with the PFBC.
  - E. The contractor agrees to reimburse the PFBC for the reasonable costs of investigation incurred by the Office of State Inspector General for investigations of the contractor's compliance with the terms of this or any other agreement between the contractor and the Commonwealth, which results in the suspension or debarment of the contractor. Such costs shall include, but shall not be limited

- 4.6 MAINTAINING ORDER. CONCESSIONAIRE agrees to maintain order among its customers and be responsible for safeguarding the health and property of its customers as may be required by law, and shall observe and require its workers and customers to observe all laws and regulations of the Commonwealth of Pennsylvania. CONCESSIONAIRE shall not permit any person or persons who may be visibly intoxicated or under the influence of drugs in or about the Licensed Premises, but CONCESSIONAIRE's obligation in this respect shall be limited to a reasonable request to offenders to cease such violations and remove themselves from the Licensed Premises. The above stipulations shall not impose upon CONCESSIONAIRE the duty and obligation of exercising powers and duties of a police officer. Violators of COMMONWEALTH laws or regulations shall be brought to the attention of PFBC or PFBC's designee.
- 4.7 PFBC DUTIES. It is hereby fully and mutually understood and agreed that no rights are granted in this AGREEMENT that shall in any way be construed as to impair the powers, privileges or duties of PFBC or its representatives in the execution of the laws of the Commonwealth now in force or hereafter enacted or adopted with reference to the Commonwealth, protection, maintenance, utilization or development of the Licensed Premises.
- 4.8 HOLD HARMLESS. CONCESSIONAIRE shall at all times hereafter indemnify and save harmless the Commonwealth and PFBC, its employees, officers and assigns from and against any and all detriment, damage, loss, claims, demands, suits and expenses not herein provided, for which the Commonwealth or PFBC may suffer, sustain or be subjected to, directly or indirectly, by reason of the operation, management or exercise of any of the provisions herein.
- 4.9 BANKRUPTCY. If CONCESSIONAIRE becomes insolvent, fails in business, files for a receiver, or has a receiver appointed by the court; or a creditor of CONCESSIONAIRE attaches or executes a judgment against CONCESSIONAIRE's equipment, materials, or facilities at the Licensed Premises or on collateral pledged to PFBC; and CONCESSIONAIRE cannot demonstrate or prove to PFBC's satisfaction the ability to continue to operate in compliance with the conditions of this AGREEMENT, all the rent reserved for the full term of this AGREEMENT shall become due and collectible immediately, this AGREEMENT shall terminate, and the Licensed Premises shall be immediately surrendered to PFBC. If CONCESSIONAIRE files a petition in bankruptcy, CONCESSIONAIRE shall notify PFBC of same at the time of filing.

- 4.10 WAIVER OF NOTICE TO QUIT. CONCESSIONAIRE hereby waives the usual notice to quit and agrees to surrender said Licensed Premises at the expiration of said term, or the termination of this AGREEMENT without any notice whatsoever, and upon any proceeding instituted for the recovery of said rent, CONCESSIONAIRE waives the benefit of all appraisal, stay and exemption laws, the right of inquisition on real estate and all bankruptcy or insolvency laws now in force or hereafter passed.
- 4.11 BREACH BY CONCESSIONAIRE. Upon breach of any of the conditions of this AGREEMENT by CONCESSIONAIRE, CONCESSIONAIRE hereby authorizes the Prothonotary or any Attorney of any Court of Record in Pennsylvania to appear for and confess judgment against CONCESSIONAIRE in favor of PFBC for any charges or fees due to PFBC, including the license fee for the unexpired term and/or any portion thereof as herein above provided and waives the benefit of all appraisal, stay and exemption laws of this COMMONWEALTH, in addition to the right of inquisition on real estate and authorizes and empowers PFBC to terminate the AGREEMENT and to collect, as well, the license fees due thereon, an Attorney's commission of fifteen percent (15%) and all costs of collection.
- 4.12 EJECTMENT. CONCESSIONAIRE hereby authorizes the Attorney General of the COMMONWEALTH, or any Attorney of any Court of Record, to appear for him upon breach of the conditions of this AGREEMENT, and to enter an amicable action of ejectment and confess judgment therein for the premises herein described, and CONCESSIONAIRE does hereby authorize said Attorney to issue a writ of possession without leave of court.
- 4.13 PERFORMANCE GUARANTEE. As security for CONCESSIONAIRE's faithful performance of its obligations hereunder, CONCESSIONAIRE shall furnish PFBC with a performance guarantee made payable to PFBC in the amount of \$50,000 to cover payments from CONCESSIONAIRE to PFBC for one year from the date of default, plus the additional costs that PFBC would incur to operate the Licensed Premises during that period. The performance guarantee shall be in the form of an operation/performance bond, irrevocable letter of credit or other surety that is acceptable to PFBC. Such performance guarantee shall remain in effect as long as this AGREEMENT is in effect.
- 4.14 CONSTRUCTION CONTRACT PERFORMANCE/PAYMENT BOND.
- A. If CONCESSIONAIRE elects to enter into a construction contract between \$30,000 and \$120,000, CONCESSIONAIRE shall cause the construction contractor to furnish PFBC and CONCESSIONAIRE, prior to the award of any contract, contract performance security in an amount equal to at least 50 percent of the contract price.
  - B. If CONCESSIONAIRE elects to enter into a construction contract in excess of \$120,000, CONCESSIONAIRE shall cause the construction contractor to furnish PFBC and CONCESSIONAIRE, prior to the award of any contract, the following bonds that shall be binding upon the award of the construction contract:
    - i. A performance bond, executed by a surety company authorized to do business in the Commonwealth of Pennsylvania, at 100 percent of the contract amount, conditioned upon the faithful performance of the contract in accordance with the plans and specifications approved by PFBC, and the conditions of the construction contract. Such bond shall be solely for the protection of CONCESSIONAIRE and PFBC and shall be on the form provided by PFBC.

- ii. A payment bond, executed by a surety company authorized to do business in the Commonwealth of Pennsylvania, at 100 percent of the contract amount. Such bond shall be solely for the protection of claimants supplying labor or materials to the prime contract to whom the construction contract was awarded, or to any of his subcontractors, in the prosecution of the work provided for in such contract and shall be conditioned for the prompt payment of all such material furnished or labor supplied or performed in the prosecution of the work. "Labor or materials" shall include public utility services and reasonable rentals of equipment, but only for periods when the equipment rented is actually used at the site. Said bond shall be on the form provided by PFBC.

#### 4.15 RIGHT TO KNOW LAW.

- A. The Pennsylvania Right-to-Know Law (RTKL), 65 P.S. §§ 67.101-3104, applies to this AGREEMENT.
- B. CONCESSIONAIRE shall provide PFBC, in writing, with the name and contact information of a CONCESSIONAIRE representative in the event that PFBC needs CONCESSIONAIRE's assistance in any matter arising out of the RTKL. CONCESSIONAIRE shall notify PFBC in writing of any change in the name or the contact information within a reasonable time prior to the change.
- C. Upon notification to CONCESSIONAIRE that the Commonwealth has received a request for records under the RTKL, CONCESSIONAIRE shall fully assist the Commonwealth in responding to the request. Such assistance shall include providing the Commonwealth within three (3) days, access to, and copies of, any document or information arising out of the AGREEMENT in CONCESSIONAIRE's possession that the Commonwealth deems a Public Record ("Requested Information") and providing such other assistance as the Commonwealth may request in order to comply with the RTKL. If CONCESSIONAIRE is unable to provide the Requested Information within three (3) days for one of the reasons specified in the RTKL, CONCESSIONAIRE must immediately notify the Commonwealth that it will need up to an additional twenty-five (25) days, and must provide in writing the reason the additional time is needed. If CONCESSIONAIRE fails to provide the Requested Information to the Commonwealth within the period specified in this provision, the failure shall be considered an event of default and CONCESSIONAIRE shall pay, indemnify and hold the Commonwealth harmless for any damages, penalties, detriment or harm that the Commonwealth may incur as a result of CONCESSIONAIRE's failure. If the Office of Open Records or the Pennsylvania Courts determines that a record in the possession of CONCESSIONAIRE is a public record, liquidated damages of \$500 per day will be assessed for each calendar day beyond the date CONCESSIONAIRE was required to provide the record.
- D. The Commonwealth's determination as to whether the Requested Information is a public record is dispositive of the question as between the parties. CONCESSIONAIRE agrees not to challenge the Commonwealth's decision to deem the Requested Information a Public Record. If CONCESSIONAIRE considers the Requested Information to be a Trade Secret or Confidential Proprietary Information, as those terms are defined by the RTKL, CONCESSIONAIRE will immediately notify the Commonwealth and will provide a written statement signed by a representative of CONCESSIONAIRE explaining why the requested material is exempt from public disclosure under the RTKL within five (5) days. If, upon review of CONCESSIONAIRE's written statement, the Commonwealth still decides to

provide the Requested Information, CONCESSIONAIRE will not challenge or in any way hold liable the Commonwealth for such a decision.

- E. The Commonwealth will reimburse CONCESSIONAIRE for any costs associated with complying with this provision only to the extent allowed under the fee schedule established by the Office of Open Records or as otherwise provided by the RTKL if the fee schedule is inapplicable.
  - F. CONCESSIONAIRE agrees to abide by any decision to release a record to the public made by the Office of Open Records or by the Pennsylvania Courts. CONCESSIONAIRE agrees to waive all rights or remedies that may be available to it as a result of the Commonwealth's disclosure of Requested Information pursuant to the RTKL. CONCESSIONAIRE's duties relating to the RTKL are continuing duties that survive the expiration of this AGREEMENT and shall continue as long as CONCESSIONAIRE has Requested Information in its possession.
- 4.16 HEADINGS. The section and paragraph headings herein are for convenience only and are intended to have no legal force or effect.
- 4.17 EFFECTIVE DATE. This AGREEMENT shall not be valid or enforceable against any Commonwealth party, including PFBC, until it has been fully executed, approved and delivered to CONCESSIONAIRE.
- 4.18 CONSTRUCTION. This AGREEMENT shall be construed in accordance with the laws and regulations of the Commonwealth of Pennsylvania.
